"This is a good school. Teachers provide a wide range of educational experiences, including educational visits and visitors to the school. These fruitful experiences broaden pupils' horizons and contribute to their love of learning. Children in the early years settle quickly into school routines and become confident learners. They benefit from effective teaching which is matched to their needs. Consequently, they make good progress. School Leaders have fostered a strong sense of community within the school. As a result, trusting relationships exist between staff, pupils and their families."

# Welcome

It is with great pleasure that I welcome you to Salterlee Primary School. We are a half-form entry primary school, nestled in the heart of the beautiful Shibden Valley. As part of the Polaris Multi-Academy Trust family, we are proud to provide the nurturing environment of a small, rural school, whilst also drawing on the wide range of expertise, resources and opportunities provided by the Trust. The best of both worlds!

Our teaching is stimulating, vibrant and creative! We strive to give our children the essential skills they need for life in the 21st century, whilst at the same time sparking an enduring curiosity in the world around them. As a result, we hope to ensure that Salterlee pupils are motivated to continue their education beyond primary school, becoming lifelong learners. Everyone at Salterlee is encouraged to develop their own talents and contribute to the school, the local community and beyond. Our motto is 'Multum in Parvo' – from small beginnings come great things – and I believe that we embody this sentiment perfectly.

Parent partnerships are key to our school's success. We do everything we can to cultivate strong relationships with our families and we will work hard to involve you in every step of your child's journey with us.

This prospectus aims to give you an insight into Salterlee's character, ethos and sense of ambition. # Early Years - A Flying Start

We know that starting big school can be daunting, for parents as well as children! We aim to support your child by working closely with parents, nurseries and preschools to ensure that children have a smooth transition to reception class.

In the summer term, we host an open evening for new starters and their families, where we go into further detail about the ins and outs of the reception year, explore the school, meet the EYFS team and play in the reception classroom. This is also a great opportunity for your child to meet their new classmates!

Our reception teacher will also visit your child in their nursery setting or at home, to introduce themselves and to begin getting to know them. They will spend time playing with your child, finding out about them and their interests and also speaking to their key worker to gather information about their learning styles and preferences.

Your child will also be invited to attend a transition morning or afternoon in July, when they can stay and play with half of their new class-mates. Parents are encouraged to leave their child once they are settled so that they can explore the environment independently.

We find that children are excited and keen to return to reception class in September, having met their new teachers, explored the lovely environment and played with their new friends.

# Teaching and learning

Teaching and learning in the Early Years is play-based and child-led, just like at Preschool! Your child will already be used to playing in provision and we set up the classroom to be as similar as possible to a preschool environment at the beginning of September, in order to help with the settling in process.

Reception class is divided into areas, including role play, a comfy reading corner, sand, water, play doh, creative, maths, small construction and small world. Outside is also organised into areas, water, construction, role play and sand. Your child will spend much of their day playing both indoors and out, while skilled EYFS staff join them in their play, extending and challenging them when appropriate.

We also have several sessions throughout the day where we teach specific subjects. These include phonics, which we teach through the Read Write Inc program and White Rose Maths.

# Enrichment

Outside the classroom, our staff provide an inclusive, high quality and extensive enrichment programme. This ensures that all pupils, regardless of their background, have access to a wide variety of opportunities.

We also recognise pupil voice through school council, sports council, play leaders and reading buddies. All these activities encourage pupils to engage with others, and to build transferable skills.

To further enrich our curriculum, all children are offered a broad range of visits and visitors. We make trips locally and further afield. These include museums, theatres, exhibitions, workshops visits, outdoor centres and trips to our local libraries.

# Our curriculum

Our ambitious, inclusive curriculum provides ample opportunity for all children to become confident, independent and successful learners with high aspirations, who know how to make a positive contribution to their community and the wider society. It is our aim is to prepare all children for the opportunities and challenges of the 21st Century!

We strive to provide all children with a broad and balanced curriculum. We believe wholeheartedly in supporting the development of the whole child, placing emphasis on not only academic success, but also, on each child's personal development. Keeping our children safe and supporting their mental health and well-being is at the heart of everything that we do.
